The San Jose Earthquakes will be offering spots to the 38 best players in the Bay Area for participation in the U16 and U18 age groups of the US Soccer Development Academy League. There is no cost to participate in San Jose Earthquakes Academy once a player is selected to the program. The best players will be selected based on their ability to play the game. If a player has a schedule of upcoming games with their current club team, then please email the schedule to fwilson@sjeearthquakes.com so the player can be evaluated in the natural environment of play. Players will be brought to an evaluation by invitation only. Please provide a reference from a coach for whom you have played to be considered if you have not been evaluated by San Jose staff.

Please fill out this form and fax it to 408-260-6802 attn: Fred Wilson or email to fwilson@sjeearthquakes.com

Thank you
